

# THE “SHOW READY” HOME PANIC LIST

## YOU HAVE 10 MINUTES...

- Panic! Okay—now check that off the list. You’re already making progress!
- Make the beds
- Grab a laundry basket or an empty box—throw all the clutter into it and put the basket into the car (you’ll sort it out when you get back)
- Empty all the garbage into a garbage bag and take out (or take with you)
- Put up your “show” towels—yes, you have them, don’t lie!
- Close all the toilet seats. Remember to flush first!
- Wipe down all countertops and sinks with a damp cloth
- Turn on all the lights in the house. Your agent will turn off if needed.

## YOU HAVE AN HOUR...

- Do everything on the ten minute list
- Vacuum all carpeted areas
- Sweep all hard-surfaced floors/spot mop sticky spots
- Use cleaner/vinegar & water to clean all glass and mirrored services
- Give the toilets a scrub and wipe down tubs
- Clear countertops as much as possible; all dishes in dishwasher, soaps and scrubbies under the sink
- Give kitchen cabinet faces a quick wipe down
- Laundry should be folded and put away (or more likely, chucked into a laundry basket then into your car for later)
- Sweep the front walk and shake out the doormat
